TARGET AUDIENCE
For healthcare professionals in all settings, including wound care team members, treatment nurses, staff nurses and nurse managers in acute care, long term care, ambulatory care and community-based settings.

PROGRAM DESCRIPTION
This 30.0 contact hour course prepares healthcare professionals to practice evidence-based wound management with expanded skills and knowledge. Content is based on national wound management guidelines for a broad range of wounds. The course is a combination of two parts:

• Six Weeks Online Learning: The interactive online phase of the course is taken independently to establish a baseline level of knowledge for each participant. Assignments are completed and submitted online. Course content can be accessed 24/7. Participants can access the course website for one year following course conclusion.

• Hands-On Workshop: Following the online phase, participants attend a workshop that includes additional lectures, demonstrations and hands-on skill development. Individual registrants attend the workshop in Seattle. Registrants employed by a cosponsoring agency attend the workshop at the agency-designated location.

OBJECTIVES
Upon completion of this program, participants will be able to:
1. Describe the basic structure and function of skin.
2. Identify changes in the integumentary system over the life span.
3. Describe effective techniques for preventing skin damage.
4. Describe normal stages of wound healing.
5. Describe the impact of co-morbidities on wound development and closure.
6. Identify systemic factors, such as nutrition, perfusion and pathology that influence healing outcomes.
7. Assess and measure wounds, including venous, arterial, diabetic/neuropathic and pressure ulcers.
8. Describe wound product categories.
9. Demonstrate competencies in pressure ulcer staging, ankle brachial index (ABI) measurement, Semmes-Weinstein monofilament testing, application of selected compression wraps and documentation.

COURSE REQUIREMENTS
To earn contact hour credit for this course, students must complete all online modules, attend the course workshop, complete self-assessment quizzes, evaluations, pre-test, post-test and submission of one clinical example (a reflective learning assignment describing one situation in which course content is used in practice).

Syllabus: Handouts for the online and onsite portions of the course are accessible on the course website.

SPRING COURSE  |  AGENCY COHORTS  |  UWCNE.ORG/WMFC-SPRING-2019
ONLINE/WORKSHOP: April 29-June 14, 2019*

FALL COURSE  |  INDIVIDUALS AND AGENCY COHORTS  |  UWCNE.ORG/WMFC-FALL-2019
ONLINE/WORKSHOP: October 21-December 6, 2019*

*Workshop dates may vary. See designated agency for details.
COURSE CONTENT

**Six Weeks Online Learning | Available 24/7**

1. Characteristics of human skin and soft tissue including changes over the lifespan
   - Why wounds happen and how they heal
   - Role of nutrition in managing chronic wounds

2. Wound assessment
   - Principles of wound management
   - Topical wound management, Part 1

3. Pressure injury scope, etiology, staging, risk assessment, prevention and management
   - Pressure redistribution and offloading

4. Etiology, assessment and management of venous ulcers
   - Compression therapy
   - Topical wound management, Part 2

5. Overview of diabetes
   - Diabetic and neuropathic wound assessment and management
   - Arterial wound assessment and management

6. Skin tear assessment and management
   - Assessment and management of surgical wounds
   - Negative pressure basics
   - Wound documentation

**Hands-On Workshop | 8:00 AM - 5:00 PM | Designated Locations**

- ABI measurement
- Case-based chronic wound management
- Compression therapy
- Measuring wounds
- Review of skin and wound assessment
- Monofilament testing
- Topical product review

WORKSHOP LOCATIONS

**Individual Registrants:**
Registrants who are not employed by a co-sponsoring agency attend the workshop at the UW Center for Urban Horticulture (3501 NE 41st, Seattle, WA 98105). Core faculty conduct the in-person workshop. Individual registrants may not attend the workshop at a co-sponsoring agency rather than in Seattle without special permission. Contact Patty Morrison at 206-543-7967 or pdmor@uw.edu for information about space availability at other sites.

**Registrants Employed by a Co-Sponsoring Agency:**
Registrants who are employed by a co-sponsoring agency attend the workshop on the dates and at the location by the agency. Participants view presentations and receive hands-on instruction from agency designated wound care specialists.

PROFESSIONAL CREDIT

30.0 contact hours will be awarded for successful completion of course requirements.

**NURSES AND NURSE PRACTITIONERS:**
- Continuing Nursing Education at the University of Washington School of Nursing (UWCNE) is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
- UWCNE is approved as a Washington state clock hour provider by the Washington State Board of Education.
- Provider is approved by the California Board of Registered Nursing, Provider #7218.

**OTHER DISCIPLINES:** A certificate of contact hours will be provided to all participants for use in documenting completion of this continuing education offering.

## COHORT APPLICATIONS NOW BEING ACCEPTED!

Hospitals and agencies in all regions of the country are invited to co-sponsor the Wound Management Fundamentals Course. For more details visit uwcne.org/wmfc-cosponsor or contact Patty Morrison at pdmor@uw.edu or 206-543-7967.
REGISTRATION INFORMATION
Individual Registrant

COURSE FEE:
The fee for an individual registrant is $695. The fee includes continental breakfast and lunch at the workshop.

REGISTER ONLINE:
• Fall Course | Oct. 21-Dec. 6, 2019 | www.uwcne.org/wmfc-fall-2019

Co-Sponsoring Agency Registrant

COURSE FEE:
Request information from your Agency Coordinator about eligibility requirements and tuition (see registration contacts).

REGISTRATION DETAILS:
• Enrollment may be limited at your site. Early registration is strongly recommended.
• Employees of a co-sponsoring agency must attend the workshop at the agency designated workshop location or pay the individual registration fee.

TO REGISTER FOR THE COURSE:
1. Attain approval from your Agency Coordinator to take this course.
2. Receive the document Getting Started from your Agency Coordinator which will include information on how to register online for this course.
3. Register for the course online:
   • Course | April 29 - June 14, 2019 | www.uwcne.org/wmfc-spring-2019
   • Fall Course | Oct. 21 - Dec. 6, 2019 | www.uwcne.org/wmfc-fall-2019

REFUND POLICY | CANCELLATION POLICY
If you withdraw prior to the start of the course, you may request a refund less $50. No refunds are permitted after the course begins. If the course is cancelled, all fees will be refunded in full. Airline and hotel penalties related to the workshop are the responsibility of the registrant.

ACCESSIBILITY ACCOMMODATION
The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation, contact the Disability Services Office at least ten days in advance of the conference at: 206-543-6450/V, 206-543-6452/TTY, 206-685-7264 FAX or dso@uw.edu.
