CONFERENCES

28TH ANNUAL PACIFIC NORTHWEST
**Ambulatory Care Nursing
Conference 2017**
WEDNESDAY-THURSDAY | APRIL 19-20
Lynnwood Convention Center | Lynnwood, WA

CONTACT HOURS: Up to 13.3 (R_x=Up to 6.6)
BOTH DAYS: \$395 | SINGLE DAY: \$295
VISIT: uwcne.org/amb2017

Description: Nurses in ambulatory care have diverse roles, serve unique groups of patients and require specialized clinical and management skills. This conference is an educational forum for those who practice in a wide variety of settings, including large and small clinics, physician offices, home health, long term care, public health, community health, occupational health, school health, college health, military health, specialty clinics and other outpatient settings. Two general sessions and nine sets of concurrent sessions allow registrants to design a conference that meets their individual needs. Speakers include distinguished local, regional and national experts presenting on clinical assessment, nursing interventions, administrative/management issues and professional development. Conference goals are to strengthen the practice of nursing, promote innovation and create seamless systems for patients and communities. Teaching methods include lecture, discussion, case studies, hands-on skill development, poster sessions and collegial interchange.

**Annual Nurse Educators
Conference 2017**
TUESDAY | MAY 2
Lynnwood Convention Center
Lynnwood, WA

CONTACT HOURS: 7.3 | CONFERENCE FEE: \$295
VISIT: uwcne.org/educator2017

Description: This conference is a forum for healthcare educators to share innovative and practical educational strategies for academic and clinical settings. Whether you are an experienced or novice educator, you will come away with tools and creative techniques to add to your professional skill set. Conference methods include lecture, discussion, case studies and interactive participation.
Topics: Beyond knowledge, skills and abilities: the new era of competence in nursing education • Surviving and thriving with your multi-generational workforce and team • Foundational conflict management skills: self awareness and communication techniques • Negotiating workplace power differentials: speaking up skills • Flipping the classroom: a paradigm shift in nursing education • Reigniting your passion

CLINICAL PHARMACOLOGY 2017
Pediatric Drug Therapy
WEDNESDAY | MAY 17
Shoreline Conference Center | Shoreline, WA

CONTACT HOURS: 7.3 (R_x=7.3) | CONFERENCE FEE: \$295
VISIT: uwcne.org/pedwm17

Description: This annual conference is designed as a pediatric pharmacology update at the advanced practice level. Sessions focus on current recommendations and controversies in drug therapy for common pediatric and adolescent health concerns. Teaching methods include lecture, discussion and case analysis. This conference is offered in conjunction with Women's Health Drug Therapy.
Topics: Antibiotics: updating your answers to the W+ questions (what, when, where, why and how) • Chief complaint: breathing difficulty • Obesity and pharmacology: what works? • The roller coaster of adolescent moods • Treatment update on pediatric eczema and acne • Fecal incontinence: a medical, behavioral and integrative approach • Marijuana: toxic trends in Washington and beyond

CLINICAL PHARMACOLOGY 2017
Women's Health Drug Therapy
WEDNESDAY | MAY 17
Shoreline Conference Center | Shoreline, WA

CONTACT HOURS: 7.3 (R_x=7.3) | CONFERENCE FEE: \$295
VISIT: uwcne.org/pedwm17

Description: This course is designed as a women's health pharmacology update at the advanced practice level. Sessions focus on current recommendations and controversies regarding drug therapy for common women's health issues and include appropriate pharmacotherapeutic principles and recommendations for patient and family education. Teaching methods include lecture, discussion and case analysis. This conference is offered in conjunction with Pediatric Drug Therapy.
Topics: The active woman: MSK issues • Advanced migraine treatment • Bacterial resistance and your practice • What is my skin telling you? • The hidden lives of women in drug and alcohol abuse • Evaluation and treatment of women's sleep issues • Transgender care comes of age

CLINICAL PHARMACOLOGY 2017
Adult/Geriatric Drug Therapy
FRIDAY | JUNE 16
Shoreline Conference Center | Shoreline, WA

CONTACT HOURS: 7.3 (R_x=7.3) | CONFERENCE FEE: \$295
VISIT: uwcne.org/agn2017

Description: This conference is designed as an adult and geriatric pharmacology update at the advanced practice level. Sessions focus on current recommendations and controversies regarding drug therapy for common adult and geriatric health concerns. Teaching methods include lecture, discussion and case analysis. This conference is offered in conjunction with Neuropsychotropic Drug Therapy.
Topics: An evidence-based review of medical marijuana: a clinician's guide • Thoughtful diabetes care for older patients • Coronary artery disease and stroke: the latest in drug therapies and prevention • The newest kids on the block: the latest in novel drugs of abuse • Management of acute decompensated heart failure • Helping our opioid-addicted patients: primary care toolkit

R_x=pharmacology hours at the advanced practice level

CONFERENCES

CLINICAL PHARMACOLOGY 2017 Neuropsychotropic Drug Therapy

FRIDAY | JUNE 16
Shoreline Conference Center
Shoreline, WA

CONTACT HOURS: 7.3 (R_x=7.3) | CONFERENCE FEE: \$295
VISIT: uwcne.org/agn2017

Description: This annual update is designed as a neuropsychotropic pharmacology update at the advanced practice level. Sessions focus on current recommendations and controversies in drug therapy for common neurological and psychiatric health concerns. Teaching methods include lecture, round table discussion and case analysis. This conference is offered in conjunction with Adult/Geriatric Drug Therapy.

Topics: Babies to grannies: getting us all to sleep • Unraveling pharmacokinetics and neuropsychotropics in older adults • The art of prescribing • Responsible response(s) to black box warnings • Helping our opioid-addicted patients: primary care toolkit • Psychiatric symptoms in the context of chronic pain • The newest kids on the block: the latest in novel drugs of abuse

Suicide Prevention Training

Three dates to choose from:
THURSDAY | JULY 13
TUESDAY | SEPTEMBER 12
SATURDAY | OCTOBER 28 (coming soon)
Shoreline Conference Center | Shoreline, WA

CONTACT HOURS: 6.4 | CONFERENCE FEE: \$195
VISIT: uwcne.org/suicideprevention

Can't make it to the onsite training? Try our online course.
Suicide Prevention Training | Online Education | 6.5 contact hours | \$95
REGISTER ONLINE: uwcne.org/suicideprevention

Description: Healthcare providers play a critical role in the recognition, prevention and treatment of suicidal behavior. With over 42,000 suicide deaths per year in the U.S., identifying risk and protective factors for suicide as well as strategies for intervention is vital. This training focuses on suicide and self-injury assessment, treatment and management, as well as suicide prevention in special populations including U.S. veterans. The training meets the requirement for the State of Washington mandatory suicide prevention training for nurses (RCW 43.70.442) and has been approved by the Washington State Department of Health. Teaching methods include didactic presentations, discussion and interactive practice with suicide prevention tools.

Topics: Suicide and self-injury assessment • Management: overview of medications, safety plans, tools and resources • Treatment including Virtual Hope Box • Special populations and suicide prevention including U.S. veterans • Roles of nursing in suicide prevention • Aftermath/grief • Working with an interpreter • Cultural considerations • Self-directed violence/self-injury

Limited enrollment. Register early!

SPECIALTY PROGRAMS

Wound Management Fundamentals Course A Specialty Program for Healthcare Professionals

SPRING: May 1 - June 13, 2017
COURSE HOME: uwcne.org/wmfc-spring-2017
FALL: October 23 - December 8, 2017
COURSE HOME: uwcne.org/wmfc-fall-2017

FORMAT: Online for 6 weeks. Onsite 2-day workshop (various locations)
CREDIT: 30.0 contact hours | TUITION: \$695.00
Limited enrollment. Pre-registration required.

Providing a collaborative approach to wound care. This course is designed for a wide variety of healthcare professionals seeking expanded skills and knowledge in evidence-based wound management. Content is based on national wound management guidelines for a broad range of wounds. The course is presented in two parts: six weeks of online learning, followed by a two-day onsite workshop. Registration is open to individual participants and to agencies interested in offering this educational opportunity at their facility in partnership with UWCNE. For additional course information, visit the course home or contact Patty Morrison at pdmor@uw.edu.

Wound Management Education Program A Hybrid Certificate Program for Registered Nurses

SUMMER/FALL: August 9 - October 12, 2017
COURSE HOME: uwcne.org/wmep-summer-2017

FORMAT: Online for 6 weeks. Onsite in Seattle for 3 weeks
CREDIT: 132.0 contact hours | TUITION: \$3895.00 | APPLICATION DUE: June 9, 2017

This program is for registered nurses seeking specialty knowledge and certification in the management of chronic and complex wounds. The program begins with six weeks of online learning, followed by three weeks of intensive didactic and clinical experience. Students who successfully complete this program will earn six graduate quarter credits from the University of Washington and are eligible for certification as a wound care nurse (CWCN). The program is accredited by the Wound Ostomy and Continence Nurses (WOCN) Society. For additional course information, visit the course home or contact Patty Morrison at pdmor@uw.edu.

SPECIALTY PROGRAMS

I.V. THERAPY EDUCATION Online Education and Skills Lab

A Hybrid Specialty Program
COURSE HOME: uwcne.org/iv-therapy

Choose the format that's right for you:

- I.V. Therapy Online Program | \$280 | 30.0 contact hours
- I.V. Therapy Online with Hands-On Skills Lab | \$395 | 34.0 contact hours
- I.V. Therapy Online - Selected Topics | \$20-70 per course | Up to 26.5 contact hours

This online program provides basic knowledge of I.V. therapy practice for nurses and other members of the healthcare team. Content includes six chapters of recorded audio/slide presentations, a peripheral I.V. catheter insertion demonstration, videos of two implanted venous port access (and de-access) demonstrations, a downloadable workbook, a post-test and evaluation following each chapter, two clinical example assignments and a required reading assignment on legal aspects of infusion therapy. The program can be taken in combination with a four-hour simulated hands-on I.V. Skills Lab session held at the University of Washington in Seattle. Alternatively, individual chapters of the program can be taken a la carte as selected topics. For more details, visit the course home or contact Elizabeth Watt at watte@uw.edu or 206-543-1047.

Topics

- Current standards of practice
- Venous access device review (includes four hours of central line education)
- Venipuncture techniques
- I.V. medication administration and fluid management
- A review of nutritional solutions
- Management of difficult insertions
- Legal aspects related to I.V. therapy
- Vascular access protocols
- I.V. therapy skills lab

5 Benefits of the Program

1. Improve your current I.V. practice.
2. Refresh your I.V. practice training.
3. Learn best practices to facilitate patient safety.
4. Increase your comfort level in managing I.V. therapy.
5. Learn from an experienced instructor.

Medical-Surgical Review and Update

Med-Surg CE Anytime, Anywhere!

COURSE HOME: uwcne.org/med-surg-365

REGISTRATION OPENS: June 5, 2017

Update your medical-surgical nursing knowledge and practice. Our popular online Med-Surg course is now offered in two formats for more flexible learning. Enroll in the feature-rich Mentored CE course or personalize your education by choosing one or more of the mini courses from the Targeted CE series. For more details, visit the course home or contact Shannon Summers at ssum@uw.edu.

Choose the course that's right for you:	 MENTORED CE	 TARGETED CE
COURSE HOME	uwcne.org/medsurg/mentored-ce-2017	uwcne.org/medsurg/targeted-ce-2017
FORMAT	Online education. Take entire set of mini-courses.	Online education. Choose one or more mini-courses.
NURSE MENTOR	Have access to a nurse mentor.	Study on your own.
ACTIVITIES	Watch videos and take practice tests to help review for certification.	Videos with no practice tests.
ASSIGNMENTS	Complete self-reflective activities with feedback from instructor.	Complete self-reflective activities without any feedback.
RESOURCES	Access supplementary videos and resources to help prepare for certification or enhance your practice.	No supplementary resources.
CREDIT	45.6 contact hours	1.3-37.0 contact hours
TUITION	\$595 for entire set	\$25-35 per mini-course
AVAILABILITY	Registration opens June 5. Take 365 days to finish.	Registration opens June 5. Take 365 days to finish.

ONLINE EDUCATION

uwcn.org/self-study-courses

Online education is a convenient way to update your knowledge and earn required contact hours. View or listen to lectures on your computer, study the PDF handouts, evaluate the course and print your own certificate. You can even keep track of all your CE with the transcript feature in your account on our website.

GENERAL INFORMATION

REGISTRATION INFORMATION

University of Washington
Continuing Nursing Education (UWCNE)
Box 359440, Seattle, WA 98195-9440
206.543.1047 / FAX: 206.543.6953
EMAIL: cne@uw.edu / WEB: uwcne.org

- TO REGISTER: Online at uwcne.org
- REGISTRATION FEES: Payment of registration fees must be in U.S. funds and payable to the University of Washington via check, money order or credit card (VISA or MasterCard). Fees collected are estimated to cover the costs of conducting courses which include salaries, registration, program accreditation, record keeping, facilities, planning and evaluation sessions which may include meals, taxes and gratuities.
- STUDENT RATE: A valid student ID must be presented to receive the student rate price.
- REFUND POLICY: Registration fees are refunded upon written request received prior to each conference. A minimum fee is assessed for cancellations to cover processing expenses. Check the individual conference or course brochure for applicable refund policy, cut-off date and fee.
- LUNCH: We try to be sensitive to many common dietary restrictions in the planning of our complimentary food menu. If you require a special menu consideration, we suggest that you bring food items suitable for you in case our options do not meet your nutritional requirements.

PROFESSIONAL CREDIT

NURSES:

- Continuing Nursing Education at the University of Washington School of Nursing (UWCNE) is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
- UWCNE is approved as a clock hour provider by the Washington State Board of Education.
- Provider is approved by the California Board of Registered Nursing, Provider #7218.

PSYCHOLOGISTS: UWCNE qualifies as a Washington State CE program sponsor under the Washington administrative code, WAC 246-924-240.

RESPIRATORY THERAPISTS: UWCNE qualifies as a Washington State CE program sponsor under the Washington administrative code, WAC 246-928-442.

SOCIAL WORKERS AND COUNSELORS:

UWCNE qualifies as a Washington State CE program sponsor under the Washington administrative code, WAC 246-809-610.

ALL DISCIPLINES: A certificate of contact hours earned will be awarded to all participants to document completion of each educational offering.

MAILING / EMAIL LIST

To be added to the UWCNE mailing list, go to uwcne.org/subscribe. For address and email changes, please email UWCNE at cne@uw.edu with your new address.

COURSE INFORMATION

A detailed brochure with learning outcome/objectives, program schedule, speaker list, joint providers, planning committee and registration information is available for each offering at uwcne.org.

COURSE CHANGES / CANCELLATION

We advise that you check the final online course brochure for course hours and location. UWCNE reserves the right to change course location and course hours or to cancel a course when minimum enrollment is not met. In the event of cancellation, registration fees are automatically refunded in full. Costs incurred by a registrant such as airline or hotel penalties are the responsibility of the registrant.

CONFERENCE LOCATIONS

Check the conference listing for its location. Directions and parking information will be sent with confirmation of your registration. Addresses of frequently used locations are:

- Lynnwood Convention Center—3711 196th St. SW, Lynnwood, WA 98036
- Shoreline Conference Center—18560 1st Ave NE, Seattle, WA 98155
- UW Tower—4333 Brooklyn Ave NE, Seattle, WA 98105
- Washington State Convention Center—800 Convention Pl., Seattle, WA 98101

EMERGENCY / WEATHER ALERTS

In case of inclement weather or community emergency, please check the front page of our website at uwcne.org. An email alert will be sent to our conference participants.

ACADEMIC PROGRAMS

For information about academic programs at the UW School of Nursing (UWSON), please call 206-543-8736, 1-800-759-NURS, email sonas@uw.edu or go online at nursing.uw.edu.

UW SCHOOL OF NURSING ALUMNI

Knowing more about our alumni and their careers is important when demonstrating the quality of the programs at UWSON. To help the school demonstrate its value to the community and compete for foundation grants and other funding, please update your employment information online at nursing.uw.edu under Alumni and Friends.

UW SCHOOL OF NURSING MISSION

Continuing Nursing Education is part of the University of Washington School of Nursing. The UW School of Nursing's mission is to educate the next generation of nurse leaders, advance nursing science and improve the health of communities locally, regionally and globally.

DISABILITY ACCOMMODATIONS

The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation, contact the Disability Services Office at least ten days in advance of the conference at: 206-543-6450/V, 206-543-6452/TTY, 206-685-7264 (FAX), or dso@uw.edu.

BE AN EXHIBITOR!

Visit the Exhibitor portal at uwcne.org/exhibitors to reserve an exhibit space at our conferences. For more information, please contact Corie Goodloe at corie@uw.edu or 206-616-3826.
