Exhibit Dates:	
Location:	
Projected Attendance:	
Tax ID:	91-6001537

Exhibit Information

The exhibit hall is designed primarily for small freestanding tabletop displays. However, we can easily accommodate your needs for additional space with two standard display tables or the equivalent floor space for larger floor-type displays or equipment such as beds, wheelchairs, etc. **Table positions are chosen by each exhibitor on a first come basis once payment is received.** However, CNE reserves the right to designate where displays fit best with the room layout and to reserve certain tables for exhibitors who provide a major conference contribution beyond the exhibit fee. CNE may place "reserved" signs on certain tables for exhibitors (at their request) who have provided a major conference contribution beyond the exhibit fee. Please note that displays and materials may not be sent directly to the conference location and must be brought in on the first morning of the conference. More detailed information will be sent to confirmed exhibitors prior to the conference.
